Product Description

Hongbaiyi presents Caspofungin Powder, a potent antifungal medication meticulously formulated to combat a spectrum of invasive fungal infections. Crafted to the highest standards of purity and efficacy, our Caspofungin Powder stands as a beacon of pharmaceutical excellence, offering a lifeline to patients battling fungal diseases.

With its broad-spectrum activity against *Candida* and *Aspergillus* species, our product emerges as a cornerstone in the treatment arsenal against life-threatening fungal infections. Each batch undergoes stringent quality control measures to ensure pharmaceutical-grade purity, stability, and safety. Trust in Hongbaiyi's Caspofungin Powder to deliver optimal therapeutic outcomes and provide hope to those in need.

Hongbaiyi Biotech, headquartered in Xi'an, China, is a leading global supplier of high-quality pharmaceutical ingredients and natural products. With a commitment to excellence, innovation, and customer satisfaction, we specialize in providing a comprehensive range of ingredients, including plant extracts, fruit and vegetable powders, and Active Pharmaceutical Ingredients (APIs).

Our state-of-the-art manufacturing facilities and stringent quality control processes ensure that our products meet the highest industry standards. At Hongbaiyi Biotech, we are dedicated to empowering healthcare professionals and improving patient outcomes through our unwavering pursuit of quality and innovation. Trust in Hongbaiyi Biotech for premium ingredients that make a difference.

Basic Parameter

Parameter	Value
Product Name	Caspofungin powder
CAS Number	[Insert CAS Number]
Chemical Formula	C ₅₂ H ₈₈ N ₁₀ O ₁₅
Molecular Weight	[Insert Molecular Weight] g/mol
Appearance	White to off-white powder
Solubility	Soluble in water
Storage	Store in a cool, dry place away from light and moisture
Stability	Stable under recommended storage conditions
Therapeutic Use	Antifungal agent for the treatment of invasive aspergillosis and candidemia
Purity	≥ 98%
Assay	[Insert Assay Percentage]
Microbiological Control	Conforms to relevant pharmacopeial standards
